

Summer 2016

Dear Rising Sixth Graders,

Your one required book for summer reading is *Fish in a Tree* by Lynda Mullaly Hunt. *Fish in a Tree* is a common read between the sixth and seventh grade English classes. Please be prepared to contribute discussion points to an on-line community when you return in the fall.

You may choose your second summer-reading book from the Weber County Library website. Type “Weber Public Library” into your search engine. Once you reach the website, click on Discover and then Recommended Reading; scroll down to the list under “Teens.” You may choose from the 6th grade list or the 7th grade list. You will be reporting on this book when you return to school, so your choice should be a challenging book on a topic that interests you. Do not choose a graphic novel for your summer reading assignment.

Please do not forget to fill out the “Summer Reading Notes” found at the end of the summer letters. This will help you recall events about the book for our in-class discussions in the fall.
