St. Michael's Parents' Association

What is the SMPA?

YOU! As a parent at St. Michael's, you are part of the SMPA. The mission of the SMPA is "to promote the welfare of our children and of the School and to bring the parents and the School into a closer relationship." **How do we do that?** First, we strive to have fun activities throughout the year that will build community and bring families together, like Back to School Night, Book Fair and Magic Dragon Day. Second, we try to make sure the School and teachers have the parental support they need. Finally, many of our activities raise money and we are able to provide financial support for the School. **Interested in getting involved?** Talk to the SMPA officers to get more information- *having a conversation is not a commitment!*
