

FEEDBACK

To enhance the Parents' Association, we welcome any and all feedback you have to offer. If there is something that we are currently doing that adds community-building value, or you feel we *should* be doing in this regard, please comment. If there is something that we are involved in that you feel doesn't add value, please mention that as well. We are very interested to hear what you want this organization to be and how we can strengthen the relationship between school, parents and our children.

Thank you for taking the time to volunteer for these important committees and activities.

The success of SMPA depends on all of YOU!

*Please return completed forms to the School office by **Wednesday, May 14**, or bring to the **Parents' Association Meeting on May 15 at 7 PM.***
