

Admissions Testing Resources

Richmond Area Independent Schools

This listing has been developed and approved for use by the following schools:

Collegiate School (804) 741-9778 • St. Catherine's School (804) 281-7140
St. Christopher's School (804) 282-3185 • St. Michael's Episcopal School (804) 272-3514
The Steward School (804) 565-2334

As part of the admissions process, our schools ask that applicants complete the WPPSI-IV or WISC-V testing. Families can choose to test at our schools or independently through a provider of their choosing. Should you choose to test privately, below is a list of local testers that we have compiled for. These individuals are familiar with our schools and are available to provide admissions testing.

The participating schools recommend contacting the testers and inquiring about the services offered and price structure. Test results are shared with the school or schools each applicant is applying to as directed by the family.

Please complete and submit each school's required testing form.
