

St. Michael's Episcopal School  
Annual Benefit Gala  
April 10, 2026

Houston, we have a gala! The St. Michael's Annual Benefit Gala is taking off with a cosmic theme that celebrates our amazing community - one filled with bright stars, big dreams, and boundless potential. From stellar auction items to galactic decor, it promises to be a night that shines brightly for St. Michael's! We invite you to come aboard as a sponsor and help us reach new heights - because the sky's not the limit for our School! Get ready to blast off - our *Out of the World!* Gala launches on Friday, April 10, and we'd love for you to come along for the ride.

At St. Michael's, every child has endless space to explore and infinite possibilities for growth! Now in its 35th year, St. Michael's Annual Benefit Gala is a time-honored tradition that continues to bring parents, alumni, faculty, and friends together to celebrate the School and its students. Justin Swisher of Swisher Auctions joins us again as our auctioneer- ready to energize our guests with an evening of friendship, frivolity, and, most importantly, frenzied bidding!

Sponsorships are crucial to the overall success of the gala, providing needed flexibility and foundational support for the event. By helping to underwrite the event's expenses, sponsors ensure that the majority of the proceeds go on to benefit the School's programs and students. Your company will receive exposure to over 300 attendees who live, work & play in the Richmond community. Please consider one of the sponsorship levels below:

About St. Michael's:

At St. Michael's, we believe that childhood is sacred. It is a time to be known, loved, and shaped with intention. St. Michael's is Richmond's only inclusive, Episcopal K-8 school. Here, belonging drives excellence, values shape learning, and childhood is lovingly preserved. At St. Michael's every child is deeply known, purposefully challenged, and joyfully celebrated.

Thank you for considering our request. The support of the business community, organizations, and individuals is vital to continuing our mission.
