

St. Michael's Uniform FAQs

Q: Can we purchase non-Lands' End items?

A: While it is preferable that families purchase directly from Lands' End to ensure items meet our uniform dress code requirements, we recognize that families may choose to shop elsewhere. If an item is indistinguishable from the approved Lands' End version in color, style, and length, it will meet dress code expectations.

Q: Can leggings or tights be worn under jumpers/dresses? If so, what color do they need to be?

A: White, gray, or navy tights or leggings may be worn under dresses or skirts for warmth.

Q: Are there shoe and sock requirements?

A: Students should wear closed-toe sneakers or shoes in good repair. Students may accessorize with belts, socks, ties, headbands, and scarves. Hats/sunglasses are not permitted indoors.

Q: Do all of the shirts have to have the St M logo embroidered on them?

A: No, but every student must have one long sleeve cobalt blue polo shirt embroidered with the St M logo.

Q: Can students still wear St M Spiritwear?

A: Yes! We will continue our Spiritwear Fridays, when students may wear any St. Michael's spiritwear shirt, sweatshirt, or hoodie (above the waist) with uniform bottoms.

***St M sweatshirts/hoodies may be worn on all days with uniforms for warmth

Q: If purchasing bottoms from a different store, does the material have to be the same as the Lands' End Bottoms?

A: No, the material does not have to be the exact same, as long as the color/length are comparable.

Q: Do we have to buy all seasons of clothing at once or will we have the opportunity to buy fall/winter items later on in the year?

A: The Lands' End uniform store is open year round. You can purchase items at any time, as the seasons change and/or as your child(ren) has the inevitable growth spurt.

Q: When it gets cooler out, are the students allowed to wear their own personal warmer layers, i.e. button up sweaters, fleece, winter coat or are we required to purchase these items from the uniform collection?

A: The preferred warm layers are included in the [apparel guide](#) - quarter zips, vests and cardigan sweaters in cobalt blue, white and navy. These do not, however, have to be purchased from Lands' End. They may be purchased at other retailers with similar options. St M sweatshirts and hoodies are also acceptable, and they are available for purchase on the [Spiritwear Shop](#).

Q: Do students have to wear the long socks or can they wear their own shorter socks?

A: Students may wear whatever type of socks they feel most comfortable wearing.
